Recently, highly heat rise shoes, I would like a non-NIKE's classic shoes Nike Air Huarache must go. The legendary designer Tinker Hatfield made the build shoes to unique retro outline sweep this street. And this fan we bring is the first to preview new shoes Nike 2015 Air Huarache. On the new material has undergone tremendous changes, with a more suitable for running large-area production of breathable mesh shoes, shoelaces and rope instead of mostly related intersection, more its retro wild, finally carry outsole white colors. In addition to the official nor disclose other information, interested friends can pay more attention to PKPOP follow-up reports.

;

American classic textile manufacturers ; Pendleton Woolen Mills ; recently on the skateboard brand ; vans ; the Japanese team to work together to expand cooperation, to bring a series of co-branded footwear for the 2013 fall and winter quarters. The series covers the Vans's Era, Sk8-Hi and Slip On three pairs of signs outline, are using Pendleton ; produced wool material brown suede and leather combined constitute the body of the shoe, and its representative throughout the Canyonlands Indian totem above Upper create a unique look. Currently, the joint family has been commercially available can be specified via the Vans store in Japan.

When it comes to Italian shoe brand Casbia, sure some of you unfamiliar, because the brand launched several quarters seems only a single product only, I also learned in 01 years of the brand, but the brand launched shoes can actually ring You can point a little mean. I remember 01 years, Casbia launched a "William" Shoes, feather design on the upper for extra points then. And today say the same this sneaker brand "William" series as a solicitation, but will replace the previous version of suede mesh material, more suitable for summer wear, while black shoes + white midsole classic mode is wild, is worth considering.
