30 years of ups and downs

Reebok Classic Leather in 30 years can be described through a lot of ups and downs, since the birth from the original brilliant disappeared into the later, Reebok Classic Leather can also be mapped out from the other side of the Reebok brand in 30 years development path. As mentioned before, Reebok Classic Leather in the birth of that year set a sales myth, but in the 1990s, the golden age of basketball shoes that due to the strong impact of other brands, Reebok Classic Leather disappear from the scene for a very long time. Until the past two years, the wave of retro rewind, Reebok Classic Leather was once the ace and Reebok sports brands have a strong return.

engraved during the throes

In fact, before engraved Reebok Classic Leather, in 2011, Reebok has also sold over a Reebok CL Clean Ultralite, lightweight shoes flagship concept, adopted by an injection molding process created by the foam material, and joined the 3D Ultralite Technology (weight shoes can reduce 10-20%). But sales are not satisfactory, this can also be reflected in the engraved road, follow the first year of the design, the classic reduction actually better get everyone's welcome. Therefore, in this year's Reebok Classic Leather engraved products, we feel more a tribute to the classic.
