always give people the feeling of Adidas orthodox recent efforts to build its street fashion culture brand Originals, to the streets and Nike's most popular DUNKPRO SB series to compete. The top edge of the support of many designers, Originals series of style has become more molding, whether casual or simple fashion and sports style, are gender-neutral tide swept the crowd.

women are particularly vulnerable to earn money, Adidas course itself come to know this reason, therefore Originals particular ethnic group will focus on women, will be part of the exclusive design extending to women, will feminine qualities in a long time into the male-dominated classic sports shoes, the introduction of public attention "Women Sleek" series!

"Women Sleek" series design concept is the Originals had the most good at sports fashion, in accordance with women's curves, modifying even more "supple and smooth", the rough sense of movement is slightly weakened, but create a more moist, more suitable for the female foot and street wear sports shoes.

"Women Sleek" series in the history of the most classic Originals shoes -ProModel, Superstar, Stan Smith and Country73 for the prototype, with a variety of ideas on behalf of female personality style - polka dot, three leaves combined pattern, satin face cloth and color lines, mixed with all kinds of soft pink color, to create a variety of impressive array of product portfolio. The shoe sports shoes specifically to women's feet redesigned line modification will be more elegant, feminine.
