[Chinese shoes Network - Brand Dynamics] Manchester City just released by Nike Nike designed the 2013/14 season away jersey, Manchester lads in the just-concluded Champions League Manchester City stranger Czech Republic last season's Czech champions Plzen challenge match victory for the first time put on this shirt.

The new Manchester City's second road jersey prescribe the left side of the top-down shades shades of blue stripes and a team of team logo embroidered on the left chest junction stripe, navy blue Nike whirlwind Logo embroidered on the right chest shirt, and uses the same navy blue color of the sponsor Etihad Airways logo occupies the central white background, creating a clean and simple appearance, and can serve as sky blue Manchester City tradition.

"Pride In Battle" club slogan is printed on the back collar tag, jersey shorts and navy blue socks used with a sky-blue color detail. Nike took over from there in Umbro shirt sponsorship of Manchester City's first season, they perfectly mastered the style of the club for Manchester City players to build a great home and away jerseys.

Manchester City hope to go further in this season's Champions League journey, the last in the group stage last season they were eliminated. Manchester City this season, the young man in the group stage opponents faced relatively not so tough, a guest at the Allianz Arena last season's Triple Crown challenge Bayern Munich will be the most severe test azure Legion will face, but Bill Mori victory of CSKA Moscow and from Russia should look good deal much, after all, Manchester City in the group stage last season, face a strong opponent is Real Madrid, Dortmund and Ajax. 1978 In the spring, Jeff (Geoff Hollister) set about inventing new Nike-sponsored athlete training with products that require training in the winter rain season can play a role. He remembered previously learned in Native American history on the Pacific coast which Indigenous Peoples habits. He remembers wearing the locals accustomed to shelter with cedar bark woven shawl in rainy Pacific Northwest winter.

these memories gave him inspiration, Jeff (Geoff Hollister) to his new nylon jacket torn at the shoulder level, so that both sides of the chest to a 26-degree cross, the upper with ultra-thin waterproof PU material, the lower part of the fabric in order to increase the use of ventilation athletes in the warm-up activities breathability. After the advent of this unique product, Jeff (Geoff Hollister) found that "Windrunner" allow athletes to wear after feeling has become superhuman, so the appearance of increased confidence in the athletes.

"Windrunner" Since first introduced in 1982 after obtaining a whole generation of young people of all ages and support immediately. Since then, "Windrunner" is widely used in many of Nike products. Today, Jeff (Geoff Hollister) still this kind of clothing he invented called "shawl clothes."
