Nike launched a new chapter in Nike Lunar Force 12013-12-08 22:41:07 before we had exposed spy Nike Lunar Force 1 today,

Nike exposure Nike Lunar Force official photo 1, these shoes open Force is a new chapter. It does this by Lunarlon cushioning system and Nike Hyperfuse construction of the iconic Nike Air Force 1 has made a revolutionary breakthrough. DNA unique classic Nike product innovation combined bred Nike Lunar Force 1, this landmark has a unique tradition of new features.

through a complete redesign, Nike Lunar Force 1 Lunarlon cushioning system with signs in midsole and outsole for use as a highlight, effectively improve the flexibility and reduce the weight of the shoe. Cushioning unit at the heel, can achieve superior comfort and response performance. Meanwhile, Nike Hyperfuse structure three (respectively stabilize, breathable and durable effect) Upper revolutionary fused into a lightweight composite layer, and with its advanced design minimizes seams to reduce friction, which unique appearance can meet a variety of decorative and color.

minor improvements include toe slim design (local enhancement to minimize signs of wear), and thinner rubber outsole (mm reduced from seven five millimeters), so that the quality of Nike Lunar Force 1 by Traditional Nike Air Force 1 drop of 17.56 ounces to just 11.7 ounces. There are also some unique and elaborate details, such as the inner layer means not buckle boots laces also perfect fit. There are also differences in some obscure, such as reflective Nike Logo, on the basis of the shoes of the classic elements and cut on the same reservation and highlights the new design. It is still Nike Air Force 1, but a more powerful than the previous Nike Air Force.

Nike Lunar Force 1 from December 12, 2012 designated Nike Sportswear retailers worldwide limited edition. Nike Sportswear

LeBron 10 brown suede version exposure 2013-12-08 23:03:35

NikeSportswear in LeBron 10 & quotCork & quotcaused no small stir after another new action, earlier we also exposed a purple version tannins, today, and a brown suede version of LeBron 10 is exposed to the network . From exposure figure we can see, this version uses a brown suede material covered shoes, then light blue laces and outsole embellishment, color is very special, is really one after another ah . Shop joint Dover Street Market & timesNike Air Force 1 Low 2013-12-08 22:18:18

Nike and well-known British tide store Dover Street Market have launched a unique Air Force1 series to commemorate the 30th anniversary of the birth of the classic shoes. The DSM AF1 limited edition series of global focus on "Material-oriented", using both the waterproof and breathable Ventile fabric to create a lightweight and comfortable Nike AF1.

Nike design team was inspired by this summer's top sports event will be staged, is committed to exploring those times have immortal sports moments. So they are turning to 1948, break out of the competitive sports legend from the bottom and the plight of the year.

Ventile is a fabric that period at Manchester born. It is a kind of natural fabric waterproof windproof performance, initially for the production of waterproof clothing, its anti-pull and anti-fire performance equally impossible to find fault, called the living environment of the holy grail.

As a resilient material, Ventile allow reducing the number of upper cloth, and then with the shock due to the use of innovative technologies and more flexible sole, the AF1 series in appearance and dress sense are more lightweight. And with Tyvek material to create the tongue tag printed with 17-18 words, on behalf of the Comme des Garcons' London Dover Street Market in the house number, but also with those who participate in the competition of athletes race number echoes, as to these elite athletes tribute.

DSM AF1 total of two colors: classic navy blue and white summer in Japan, with any clothing items perfect match.

DSM AF1 will be held in Tokyo's Ginza district, and July 28 Dover Street Market in London, the first release on July 20. In mid-August, the designated shops United States, Europe and Greater China region will also sale DSM AF1.

near the start of the season, on the latest visvim winter quarter single product is more pattern for every situation, following the last exposure popular shoes GRIZZLY BOOT and MOC MID new YOCCA FLOK, also recently in OVERDOPE again released some footwear series of autumn and winter quarter, the exposure is under another popular model FBT SHAMAN and SKAGWAY OKA, early popular FBT SHAMAN believe you are not familiar with, is based on the traditional MOCCASIN based on the transformation of

the SKAGWAY and OKA fringe shoes, use the focus of the season single product series in the national Tiao Wen Yuan, as in the past to carry on the sole antique do old effect, but also the design style of visvim the number of this season, there are about 10 days time to start a new quarter, interested friends may have to start getting ready!
