

The response to these big companies, the German N-TV television in a program entitled "The shame of the retail giant," the commentary said, "Foxconn is not a single case", German companies in China to allow workers to "excessive overtime", but the companies are pretending not to know.

[Chinese shoes Network - Brand News] October 14, the Olympic team with the NBA's Miami Heat held a comprehensive strategic cooperation conference, announced that it will jointly develop the North American market, to accelerate the process of internationalization.

Miami Heat president of business operations Eric, vice president, Steve and Chris to bring players Terrell Harris, Dexter Pittman, as well as Olympic spokesman Shane Battier will attend the meeting. At the meeting, Peak CEO Xu Zhihua get to the championship last season, the Heat congratulate welcome they often come to China, and Olympic fans together for the dedication of more authentic NBA basketball feast. Battier also a live demonstration of his personally involved in the design of a new generation of Shane seven generations boots, and announced the global availability of new shoes in mid-November.

It is reported that in December last year, the Olympic arena reached a sponsorship agreement with the Miami Heat. By then, not only has the Miami home Olympic billboards and other equity sponsors, will also sell the products in the Miami Olympic official TEAM SHOP. Meanwhile, both sides jointly develop new products, and to expand in the North American and global markets, and strengthening Sino-US cultural exchanges and youth development and so on basketball. Peak CEO Xu Zhihua said: comprehensive strategic partnership today, marking the Olympic international market has taken a very important step. Heat team president Eric said Lucky Peak is our first year of cooperation we got the championship. I hope this luck to accompany the Miami Heat continue to win two, three or even a lot of championships. We will work together with the Olympic, for the common dream of internationalization efforts.
